

Klise. Linear Mouldings & Inserts.

For nearly 100 years, Klise has delivered innovative design, exquisite detail, and unmatched craftsmanship in wood components. In addition to servicing architects and interior designers, Klise delivers wood detail for furniture, cabinetry, picture framing, musical instruments, caskets and many other industries. The patterns shown here represent the most popular

choices in designs today. They are made with the skill and craftsmanship demanded by fine furniture manufacturers and now available for use in any industry. These mouldings can be used to trim out crown mouldings, cabinet doors, interior doors, corbels, interior walls and much more. Because these patterns are kept in stock, they are available when you need them. These products ship in standard 8 foot lengths unless otherwise noted.
